

**United Association (UA) Veterans in Piping Program (VIP)
Joint Base Lewis-McChord, WA**

Who is the United Association (UA)?

The United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada or "UA", as it is commonly known, is a multi-craft union whose members are engaged in the fabrication, installation and servicing of piping systems. There are approximately 340,000 highly-skilled United Association members who belong to over 300 individual local unions across North America. The United Association has been training qualified pipe trades longer than anyone else in the industry. The UA boasts having the premier education training program in the industry today, including five-year apprenticeship programs, extensive journeyman training, organized instructor training, and certification programs. The UA's signature contracts provide highly-skilled union technicians to support the industrial construction industry building oil refineries, nuclear power plants, hospitals, schools, clean air rooms for the production of computer chips-and almost any industrial building that generates steam. UA pipefitters area looking for transitioning military members, like you, to join its team.

What is VIP?

- An education training program that promises a career in the pipefitting industry, college credit and guaranteed a family-wage job for those who successfully complete the program.
- An education training program that provides intense accelerated training in the fields of welding or heating, ventilation, air-conditioning and refrigeration (HVAC/R)
- VIP is designed for Active-Duty Service-Members transitioning from Military Service.
- VIP is a fulltime training program 18 weeks in duration that is the Servicemembers place of duty
- The welding program is held at the UA's Local #26 Training Center in Lacey, WA. The HVAC/R program is held on Joint Base Lewis-McChord at the Stone Education Center, 6242 Colorado Avenue, JBLM Lewis-Main.
- Upon successful completion of the training program, graduates are placed in a 5-year paid UA apprenticeship program at over 300 locations nationwide. Apprentices continue to earn college credit while they learn their trade.

What are the requirements for application?

Must Have:

- Be on Active Duty with a Separation/Retirement date one month either side of the class end date
- Secure Command authorization to participate
- Provide a copy of your Army Enlisted Record Brief (ERB) or copy of Records Review from virtual Military Personnel flight (vMPF, Air Force only)
