Test with Pearson VUE!

Focused on your future

Q. Are the exams on the Pearson VUE system different?

A. No, the exams are exactly the same. They look the same and are scored the same. The difference is in the great service and convenience you'll experience before and after you take your exam.

Q. I have already taken exams with another test delivery provider. Can I finish my certification with Pearson VUE?

A. Yes. Every exam you take with Pearson VUE is merged with the sponsor's test history data.

Q. Are the exams at Pearson VUE priced the same as anywhere else?

A. The exam sponsors set the prices, so prices at Pearson VUE™ Authorized Centers are the same as at all other test centers.

Q. How do I register for an exam with Pearson VUE?

- Go to www.pearsonvue.com or call 1-800-837-8969 to register yourself
- In North America, call these toll-free hotlines:

Cisco 1-877-404-EXAM

Get Certified!

You have the experience and the training – now demonstrate your expertise and get the recognition your skills deserve. An IT certification increases your credibility in the marketplace and is tangible evidence that you have what it takes to provide top-notch support to your employer.

Why Test with Pearson VUE?

Using the speed and reliability of the Internet, the most advanced technology and our commitment to unparalleled service, Pearson VUE provides the Fort Lewis Education Center a quick, flexible way to meet your testing needs.

- Pearson VUE uses the Internet for secure data transmission to and from the test center
- Same-day testing is possible by calling your test center directly to see if a seat is available
- Easy and convenient real-time registration and rescheduling of exams
- Your exam is downloaded and ready when scheduled
- Results promptly and accurately provided to certifying agency, then merged with the existing test database
- Real time connection with the Pearson VUE hub via the Internet for all services
- Tamper-proof web Digital Embosser that protects your certification

Pearson VUE and the Fort Lewis Education Center are committed to providing you with world-class service. Your complete satisfaction with the testing process, from a quick, painless registration, to having your exam available when you expected and your test results promptly reported to the certifying agency is assured.

The Department of Veteran's Affairs will reimburse eligible personnel for approved license and certification tests.

Eligible personnel include those who qualify under the Montgomery G.I. Bill – Active Duty, VEAP or Dependents' Education Assistance. Approved certification programs include Microsoft, Cisco Systems, IMB, CompTIA, and many others.

For a complete listing of tests approved for reimbursement, and to find out who is eligible for this benefit, please visit gibill.va.gov
