

# JOINT BASE LEWIS-McCHORD VEHICLE REGISTRATION DECAL

**Decal must be permanently attached to the exterior of the windshield at either the top center or driver's side of the windshield in a position where it is not contacted by the windshield wiper. Decal must be readily visible, but cannot block the driver's view.**

**The registration decal must be permanently affixed to the exterior of the windshield using ONLY the adhesive provided. Only one vehicle registration decal can be displayed per vehicle. Incorrect placement or multiple registration decals will be scraped or blackened.**

**The DD 220 (DOD vehicle registration) is an accountable item and must be returned to vehicle registration.**
