

INSTALLATION DESTRUCTION FACILITY, JBLM FREE COMPOST / MULCH MATERIAL!!!

Did you know that shredded paper is wonderful Mulch for your Garden?

It keeps the ground cool and smothers weeds!! After shred is laid down and watered, it forms a blanket similar to papier-mâché. Water still gets through, but the weeds cant!
It is also amazing to use in Composting!

The Destruction Facility produces tons of shred that is perfect for your garden and it is **FREE FREE FREE!!**

To pick up please visit our facility at the corner of 3rd Div Dr and Collier Ave, Bldg 3152.
